The Bills have signed cornerback Nickell Robey-Coleman. Robey-Coleman had 20 combined tackles, one interception and one pass defensed last season. He was released by the Seahawks earlier this offseason but was later re-signed. He started all 16 games in 2015, ranking third on the team in interceptions (2) and fourth in interceptions per game (0.16). Robey-Coleman has five interceptions in his career. Tags: CB

The Triggers of Migraine
Migraine is the most common and costly neurological illness in the United States. Today, we're going to talk about what triggers migraine attacks. It's pretty much self-explanatory, because it's the migraine. But it's also really important because it affects how we deal with migraine. Because migraine occurs outside of your control, it makes it really important that you control when you have it, and how you control it. And the triggers are going to be one of the most important aspects of managing migraine. Now, one of the best ways to deal with migraine is to treat it the same way you would treat any other chronic illness, by keeping it in the long term. So, when you have migraine, you want to control your exposure to migraine triggers, both social and physical. Migraine is certainly not the only chronic illness, but it's one that does trigger severe problems, like anxiety and

depression. So, when you have a chronic condition, like migraine, which by definition has multiple physical and social triggers, it can also create and exacerbate a lot of other problems. So, let's talk about what triggers migraine. I'm going to give you four categories of migraine triggers: social, physical, psychological,
